THE 2022 50th EDOM ART FESTIVAL! OCTOBER 8-9, 2022 EdomArts.com

Welcome all to the 2022 Edom Art Festival!

I am Beth Brown, your festival director and the former owner of Potters Brown pottery in Edom since 1971. This year, I will be returning as your Director and enlisting the Edom Craft Community for a group effort in producing the best show ever, and maybe the only artist produced festival in Texas. We do shows ourselves, so we are in tune to your needs and requests.

This year we are celebrating our 50th year since the show was founded by my late husband, Doug Brown, and we will also be dedicating the show to him and his legacy this year. What started many years ago as an invitational, and now a juried show, we consider our artists our creative family being that we are artists ourselves, and we treat as such, which makes us truly unique among art shows. The show is returning to its roots this year, coming back to the Edom Craft Community non-profit, from several years sponsored by the Edom Area Chamber of Commerce. We are excited by this change for our 50th and are planning special things to celebrate.

The show will always be *the second full weekend in October.*

As artists, we know what Zapp is like and we are trying to stay away from it, so we need your help to tell your fellow artists about our great little gem of a show here and encourage them to apply. We believe in the power of word of mouth. We look forward to a great year!

FESTIVAL STANDARDS

The type of work acceptable and eligible is Fine Art and Fine Craft. All work exhibited must be original art produced by the artist. One of a kind, multiples, series or limited editions (which must be signed and numbered by the artist) will be considered. The artist must have conceived the design and executed the finished product.

Work exhibited must be consistent with submitted images. EAF reserves the right to request removal of any items which, in its sole judgment, do not conform to show guidelines. If entire inventory does not comply, the artist will be asked to leave with no refund.

ARTISTS BOOTHS

Size: Each artist will have a 10' X 10' space. Double booth space is 10' x 20'. Tents, tables and chairs will be provided by the artist. This is an outdoor show on grass, and dog ties are acceptable.

We do experience weather so be advised and prepared.

No electricity will be provided to booths. EAF requires that artists use white top tents for booth display during the festival. There is room to unload and load your vehicle by your booth, but respect of others is mandatory.

Booth sharing: If two or more artists work together in producing a single product, they must apply as a team and occupy one booth space. Two artists may share a booth, but both must be juried separately according to guidelines.

Security: Overnight security will be provided on Friday and Saturday but EAF cannot assume liability for damage, loss or theft of artist's work.

Sales: All sales will be conducted by individual artist. Artists retain all revenue from sale of their work. Artists are required to collect and pay 7.25% sales tax on all items sold. The Texas State Comptroller does check.

We do provide Texas Cell Net to access the wifi on site, and hopefully there will be no snafus, but be prepared.

APPLICATION PROCEDURE

Please submit 4 digital images of your current, original work, and 1 image showing your booth display with no people in your booth, total of 5 images. ***Application is done by downloading the application, filling it out and emailing back or printing and mailing along with jury fee. Checks will be sent thru the mail to the address above.***

Please fill out the form with your digital images, file size under jpeg 5 MB. This complies with Zapp images. If you have trouble sending a Jpeg of this size, you may send images separately to the email address above with a disc or flash drive, but I would prefer if they could go thru the form, also call if you have any questions. If we need larger images for press we will contact you.

A jury fee of \$15 is also due at this time. Once accepted, and booth fee is paid by June 1, you have made a commitment to exhibit in the 2022 Edom Art Festival. However, we know that unexpected things come up, so cancellation date is August 1, and no refunds after this date. We will have a waiting list this year.

HOSPITALITY

We are pleased to offer snacks, beverages and ice throughout the event and booth sitters will also be available. An Artists Party will be held for artists on Saturday evening directly after the show for dinner, drinks and an opportunity to say how much we appreciate you!

Looking forward to a great year!
