

EDOM ART FESTIVAL FOOD VENDOR October 8-9, 2022

June 1 application deadline

July 1 space fee due

October 7 (Friday) early set up 10-6

October 8-9 festival hours 10-5 Saturday and Sunday

Welcome to the Edom Art Festival 2022. We are looking forward to an exciting year for our 50<sup>th</sup> annual. Please note that we have had some changes this year. We have a new website and email address. [www.edomarts.com](http://www.edomarts.com).

The show is now produced by the Edom Craft Community and no longer the Edom Chamber of Commerce. We also have a new mailing address at P.O.Box 383, Edom, 75754.

We are interested in all types of food, ethnicities, sweet and savory, and vegan alike.

Please include your menu so that we can choose the vendors that we think can most complement each other and our wine garden area. If you are a new food vendor to us, please include images of your set up, and for all, we would like digital images of your food to put on the website.

We ask that you apply by either downloading the application and mail to address provided, or download the application and email it back to me. Deadline for application is June 1 and I will let you know immediately thereafter and space fee is due July 1. All spaces are 10 feet deep and 20 feet wide. We provide several electric hookups but need to know your needs for placement. You cannot pull your rig out once in place for the weekend. We ask that you set up Friday, October 7 if possible, for us to get you settled if possible from 10-6. Otherwise, I will contact you to see when you will arrive Sat morning. You must arrive with set up in place by 9am Saturday. We do provide security Friday and Saturday nights.

We do have constant trash pickup from the food booths during the festival, and ask that you have your own plastic receptacles for your booth. There will be a dining tent for our patrons to sit and dine.

If you are new to us please send a photo or digital image of your set up. Once accepted we would like to have images and promo images for our website to promote you. Please call with any questions.

Look forward to seeing you all.

Beth Brown, festival director ph: 903.258.5192
